Admissions

Admissions Procedures

It is recommended that a student visit River Valley School of Massage and meet with the Director of Admissions prior to completing the admission paperwork. During the interview with the Director of Admissions, the student will take a tour of the campus and ask any questions they may have. At this time, the student may complete an application if they are ready to start the admission process. They will be given a copy of the catalog and a list of all other admission requirements. The student is also encouraged to meet with the Director of Financial Aid at this time and to receive any information about Financial Aid available.

Credit for Previous Training/Transfer Credit Policy (Clock- Credit Hour Conversion)

River Valley School of Massage will accept anatomy, physiology, kinesiology, medical terminology, and some business classes. College credit hours must be passing with a minimum 75%. RVSM will also accept transferred credits from another massage therapy program if the student is in good standing with the transferred school (this includes all debt has been paid and the student has transcript and passing grades of 75% or above).

Candidates for transfer credit must provide documentation that includes: official transcripts, a copy of the diploma, and a school catalog or statement providing the course descriptions of each class completed. If credit is granted, training time may be shortened and tuition may be reduced proportionately.

Arkansas Department of Health has given permission for massage therapy schools to give credit hours for cosmetology and aesthetician hours for massage therapy hours.

River Valley School of Massage accepts all major credit cards. All students must have tuition paid in full by the completion of program in order to receive a diploma and transcript.

fee. Withdrawing students receiving Federal Student Aid are entitled to refunds only after the Return of Title IV Funds Policy has been satisfied;

All refunds will be made within 45 days after the cancellation or termination;

Cancellation by the student should be in writing by certified mail or in person;

Official date of withdrawal from the program is the last date of attendance unless the school receives written notification indicating earlier withdrawal from the program.

Return of Title IV Funds Policy

The River Valley School of Massage Financial Aid Office is required by federal statute to recalculate federal financial aid eligibility for students who withdraw, drop out, are dismissed or fail to return from an approved leave of absence agreed upon date prior to completing 60% of a payment period. The federal Title IV financial programs must be recalculated in these situations. The calculation must be performed even if the student has completed 60% of the payment period to show that River Valley School of Massage determined that the student withdrew. If a student attends River Valley School of Massage and withdraws

(Continued on page 10)

officially using the withdrawal form, the date the student completed the form will be used as the date of determination. If a student fails to return from a Leave of Absence, the student's last date of attendance will be used as the date the student withdrew. If a student fails to attend class for 10 consecutive days, resulting in RVSM's use of the Conditions of Dismissal policy, the 11th missed day will be used as the date of determination.

If a student leaves the program prior to completing 60% of a payment period, the financial aid office recalculates eligibility for Title IV funds. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula: Percentage of payment period completed= the number of clock hours scheduled to be completed on the withdrawal date divided by the number of total clock hours in the payment period.

Funds are returned to the appropriate federal program within 45 days from the determination of withdrawal based upon the percentage of unearned aid using the following formula:

Aid to be returned= (100% of the aid that could be disbursed minus the percentage of earned aid) multiplied by the total amount of aid that could have been disbursed during the payment period.

If the student earned less aid than was disbursed, River Valley School of Massage would be required to return a portion of the funds and the student may be required to return a portion of the unearned funds. Keep in mind that when Title IV funds are returned, the borrower may owe a debit balance to River Valley School of Massage.

If a student earned more aid than was disbursed to the student, River Valley School of Massage would owe the student a post-withdrawal disbursement. From the date River Valley School of Massage determined the student withdrew, grant funds must be paid within 45 days and loan funds must be paid within 180 days.

Satisfactory Progress Policy

River Valley School of Massage offers a full-time and part-time enrollment to all students for the 600 hour massage therapy program.

Qualitative Standard – CGPA

Grades will be available weekly. All assignments are to be completed in a timely manner as determined by the instructor. Students will be evaluated on a monthly basis to determine his/her academic status. If the student is below 75% then they will be given an academic warning for a period of one month at a time. The student will be notified by the Director of Education of the student's placement on academic warning and the student's required actions. Grades will also be evaluated at the end of the payment period. Each payment period is when a student completes 300 hours.

Passing grades for the Massage Therapy Program are determined by the individual grades and are based on the curriculum laid out in the syllabus given to each student at the beginning of the course.

Quantitative Standard – Pace

In addition to the CGPA requirements, a student must successfully complete a minimum percentage of the clock hours and weeks attempted at specific points in the program to maintain satisfactory academic progress. These rates of progress are outlined, along with the CGPA requirements. As with the CGPA requirements, the quantitative standard (Pace) will be reviewed monthly and at the end of each payment period.

(Continued on page 12)

A student given an attendance warning must meet with the Director of Education and determine a schedule to get the student back on track to complete in the maximum time frame. The student has one month of probation to make satisfactory attendance progress.

All training must be completed in no more than 1.5 times the length of the program. For example:

600 hours = 24 hours/week= 25 weeks

At 12.5 weeks (halfway through the course) a student should be at 300 hours

600 hours = 17 hours/ week= 35 weeks

At 17.5 weeks (halfway through the course) a student should be at 300 hours

The student has 2 payment periods throughout the Massage Therapy Program. Should the student not meet SAP in the said time frame, the student will be ineligible for the second disbursement of financial aid. To make sure the student is eligible for the 2nd payment period, they must meet the SAP requirements for CGPA and attendance.

In cases where a student is not meeting SAP requirements, the student may be asked to withdraw from the course with appropriate tuition refund as described in the Return to Title IV Funds Policy.

Appeal Policy

Students may appeal a determination of probation or termination due to unsatisfactory progress or any other academic policy mentioned herein within 14 days from the date of determination. All appeals shall be submitted in writing and outline the grounds for appeal to the Director of Education of River Valley School of Massage. All appeals will receive a written response that shall remain final.

The school will send a letter as notification to students of the results of an evaluation that impacts the student's eligibility for Title IV, HEA program funds.

Grading Scale

A = 90-100%

D = 60-69%

B = 80-89%

F = 50-59%

C = 70-79%

Test Retakes

If a student receives below a 75% on a test, that student has the option to retake the test. Each student is allowed to retake 3 tests in each book. Only one retake is allowed per test including the final. The retake test score will be the one that is recorded on the student's progress report. If a student retakes the test, they must wait until the next school day.

Course Schedule

The Massage Therapy Program is compiled of 600 classroom hours. One clock hour is given for each classroom hour. A student will be qualified for licensing when he/she has completed 600 classroom hours.

Testing will be performed every Friday of every week throughout the course. If a student misses class on a Friday, they must take the test on their next date of attendance. There must be 600 hours accumulated

(Continued on page 14)

before a student receives his/her diploma. River Valley School of Massage offers a flexible course attendance, meaning that a student may enroll and start at any time throughout the year, (some exclusions may apply and availability permitting). A student must have all required hours in each of the curriculum areas. This means that if a student misses the week of Anatomy, he/she will have to make up that week of Anatomy at the completion of the course. River Valley School of Massage provides adequate schooling hours to complete a 600-hour program in twenty (20) weeks. It is highly recommended that students attend on a full time basis to avoid breaks or gaps during his/her course. A student may be terminated if course is not complete in the maximum time frame according to the student's enrollment status.

Day and Night Class Schedules

If a student wishes to attend the night class in addition to the day class, they must be preapproved by the School Director or Director of Education. The student must put into writing their special circumstance as to why they should be able to attend both classes, or substitute a class one day for a specific reason, (i.e., doctor's appointments, missed school days, childcare, work schedule change, or other circumstances deemed relevant by the Director).

Students will not be allowed to pick which time fits their schedule better on a daily basis. Students will not be allowed to go from days to nights or vice versa without written approval from the School Director or Director of Education. Students may not attend both classes to complete the program early. Students cannot complete the massage therapy course in fewer than 4 months, unless hours have been taken off for previous credit.

Unless a student gets behind in their regularly scheduled hours, the student will not be able to attend the other class available.

Maximum number of students allowed in class at River Valley School of Massage is 24.

School Hours

River Valley School of Massage will be open from 8:30am to 10:00pm Monday thru Friday. All major holidays will be observed. Due to inclement weather, classes will be postponed. A calendar of holidays and other school closings is provided in the current Catalog Appendix sheet, and also listed on the webpage (www.rvsmassage.com).

Attendance, Tardiness, Leave of Absences, Withdrawal and Re-Entry Policies

Attendance Policy

The Massage Therapy Program course syllabus is designed to be completed within six (6) months. This time is more than sufficient for achieving the required knowledge, skills, and competencies to complete the course and be qualified to take the test that is recognized by the Arkansas Department of Health Massage Therapy Section. Students must finish within the maximum time frame according to the student's enrollment status unless a leave of absence is granted by the school. Students may make up work if their leave of absence is approved.

Tardiness Policy

A student's punctuality in class and their willingness to participate in class until the class is dismissed reflects a dedicated attitude. This attitude establishes a record of attendance and performance that the student can present along with his/her academic qualifications to future employers. Tardiness and leaving early also presents a disruption to the entire class. Students who exhibit problems with tardiness may be advised by the Director of Education and may be placed on attendance probation.

Leave of Absence

The faculty of RVSM in its concern for the welfare and progress of each massage student has through careful thought and consideration, developed a leave of absence policy along with the following guidelines:

1. A leave of absence will be granted to students in good standing. (A student with a grade less than passing, in any course, or with poor attendance is not considered in good standing.)
2. Requests for leave of absence will be considered individually by Audra Findley, School Director or Amanda Williams, Director of Education.

(Continued on page 18)

3. A leave of absence extending for more than 10 days must be requested and approved by Audra Findley or Amanda Williams.
4. The student must submit in writing, a leave of absence request form. This form must be approved and signed by Audra Findley, School Director or Amanda Williams, Director of Education, before the leave of absence can begin.
5. When a student has been granted a leave of absence they are required to make up the course work they missed.
6. A leave of absence should not exceed 60 consecutive days or 180 accumulative days within 12 months.
7. If the student does not resume attendance at the school on or before the end of a leave of absence, the school treats the student as a withdrawal.

All requests for a leave of absence (LOA) from the program must be submitted in writing, include the reason for the request, be signed and dated. This request must be submitted in advance unless unforeseen circumstances prevent doing so. In cases where the student was not able to request the LOA in advance, the written request must be submitted as soon as possible. River Valley School of Massage will determine based upon the information provided whether a LOA will be granted and the date the student will return. Any LOA approved together with any other leaves of absence will not exceed a total of 180 days. A student who is granted an approved LOA is required to return by the approved return date. If the student does not return by that date, the student will be withdrawn effective the last date of attendance prior to the start of the LOA.

- The process to have a leave of absence approved-
 - Must complete the request for leave of absence form and turn in to Amanda Williams, Director of

(Continued on page 19)

- Education or Audra Findley, School Director. Leave of absence must include military orders, jury duty orders, or medical note from doctor.
- The consequences of a student's failure to return from an approved leave of absence-
 - The school will withdrawal the student and apply the school's refund policy in accordance with applicable and published requirements
 - May grant more than one leave of absence in the event of unforeseen circumstances arise provided that the combined leaves of absence do not exceed 180 days within a 12 month period medical reasons affecting the student or a member of student's immediate family military service requirements
- jury duty

Withdrawal and RE-Entry Policy and Fees

Students withdrawing from the program are asked to have an interview with a school administrator and sign a statement documenting the date of the withdrawal for their academic records. A student is considered withdrawn if he/she has had said interview, signed a withdrawal form, and has paid any outstanding debts to River Valley School of Massage. River Valley School of Massage does not assume responsibility for lost or reduced refunds, loss of financial aid or other entitlements.

The student understands that his/her withdrawal from the Massage Therapy program is effective the date the withdrawal form is processed and his/her partial refund to Title 4, if any, will be calculated based on the effective date and in accordance with the published refund schedule.

Any student that stops attending the program, after 5 days of non-attendance, will undergo a status determination. Administration will contact the student to determine the student's reason for non-attendance. Administrative withdrawal will occur after administration has exhausted all resources for contacting the student and not more than 10 days of non-attendance.

(Continued on page 20)

Re-entry Policy

Students who voluntarily withdraw for any reason, with the intent to re-enter with a later program, will pay a \$500 administrative restart fee. Restarting students will only be admitted to the next preferred class if there is space available and at the discretion of the administration.

1. Wait thirty days from the last date of attendance.

Veterans Attendance Policy

Excused absences will be granted for extenuating circumstances only. Excused absences will be substantiated by entries in a student’s file. Early departures, class cuts, tardiness, etc., for any portion of an hour will be counted as a full hour of absence. Students exceeding three days unexcused absences in a calendar month will be terminated for unsatisfactory attendance.

(Continued on page 22)

Veterans Reentrance Policy

After one month's time, students who have been dismissed for unsatisfactory progress may be reinstated only after an interview with an administrator. Reinstatement is up to the discretion of the administration.

If a student has been dismissed from River Valley School of Massage due to military service, may be reinstated with documentation. Such documentation must consist of oral or written notice of military service as far in advance as is reasonable under the circumstances. This notice does not have to state the student's intent to return to the school. When the student wants to return to the school, he/she must submit an attestation of military service that necessitated the student's absence from the school. No notice is required if precluded by military necessity, such as service in operations that are classified or would be compromised by such notice.

The intent to return to school must be oral or written notice within three years after the completion of the period of service. A student who is hospitalized or convalescing due to an illness or injury incurred or aggravated during the performance of service must notify the school within two years after the end of the period needed for recovery from the illness or injury. A student who fails to apply for readmission within these periods does not automatically forfeit eligibility for readmission but is subject to the school's established leave of absence policy and general practices. The student must contact the admissions office to provide notification of service and notification of intent to return.

Veterans Refund Policy

The refund of the unused portion of tuition, fees, and other charges for veterans or the eligible persons who fail to enter a program, or withdraw or discontinue prior to completion, will be made for all amounts paid which exceed the pro rate portion of the total charges for the length of the program. The proration will be determined on the ratio of the number of days or hours of instruction completed by the student to the total number of instructional days or hours in the program.

Veterans Tuition Policy

River Valley School of Massage does not charge Active duty military more than the total tuition. Active duty military, spouses and dependents will pay the same tuition as every other student attending River Valley School of Massage.

If the concern is not resolved, the student should request a meeting with the Director of Education, who is responsible for seeing that each student's concern is heard and acted upon. Referrals for psychological or counseling services are available when personal challenges are affecting performance.

Housing/Child Care Arrangements

River Valley School of Massage does not provide dormitories or housing facilities and students commute daily to school. Child care arrangements are the responsibility of each parent enrolled in River Valley School of Massage since we do not maintain child care facilities. The Financial Aid Director can give a list of day care facilities that are available in the area.

Educational Records

River Valley School of Massage maintains student records in fireproof filing cabinet located in a secure area. These records are confidential and are kept permanently on a flash drive and physically for 5 years. A student's records are available to the student for review during regular business hours. Student records are not made available to any third party without express written permission from the student, except under rare extenuating circumstances, such as the existence of a public safety risk, or a legal order. River Valley School of Massage may also give permission to Arkansas Department of Health Massage Therapy Section, Accrediting Commission of Career Schools and Colleges (ACCSC), U.S. Department of Education, and Veterans Affairs (Veterans' files only) without prior consent from the student. Each student is provided with one official student transcript free of charge when they receive their diploma upon successful completion of the massage therapy program.

Additional official transcripts are available to a student upon receipt of a written request and a \$15.00 transcript fee. A student may receive a duplicate diploma by submitting a written request to the school with a \$10.00 fee. Again, records are confidential and will not be released to a third party without written permission from the student except under rare extenuating circumstances mandated by law.

Tutoring Services

Both peer and professional tutoring programs are available at \$35.00 per hour. In order to truly benefit from this type of assistance, students must have a genuine desire to become competent massage therapists, and must apply themselves diligently to their course work and clinical experience.

Library

River Valley School of Massage maintains a modest reading, video, and audio library for use by students and faculty. Library hours vary depending on student and faculty needs.

Graduation and Job Placement

A list of employers will be posted on the RVSM bulletin board as they are available. Although these services are available, faculty and staff do not guarantee employment or salary. We will strive to help students with job placement.

If a student needs a job while they are attending the Massage Therapy Program, RVSM staff and faculty will do their best to help the student find employment not related to the educational objective.

Student Complaint Procedures

Every effort should be made to resolve an issue by communicating with the instructor/student before a formal complaint. If a complaint is not resolved with the instructor/student, the complaint should be in written form and given to the Financial Aid Director. The written complaint should contain the name of the person filing, the instructor/student the complaint is about, and the formal complaint and must be signed by the person complaining. The Financial Aid Director will handle the complaint how he/she sees fit.

All complaints will be resolved in a timely manner. There will not be complaints unresolved.

If a student does not feel that River Valley School of Massage has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission.
